MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Retirement Seminars

1. This is in response to your note of 5 March asking for views for Mr. Bannerman to use in responding to Colonel White's question regarding the scheduling of 1969 retirees for seminar sessions.

2. I asked [] to prepare a note for my information on this subject; it is attached. In brief, it says that the administrative problems were more than could be handled to put two years' classes of retirees in one but that the program had been laid out to "catch up" as rapidly as possible. It would appear to me that, except for the 1969 retirees, we will from here out get the annual classes at least a year ahead of time. It should be noted that Employee Bulletin [] which prompted this question does not bar the attendance of the 1969 retirees, although it is addressed primarily to those retiring in the balance of 1968.
